DETROIT ATHLETIC CLUB

" DENTAL THERAPEUTICS "

DR. W. CHOONG FOONG

Dr. Foong earned his B.Sc. (Hons.) and PhD in Pharmacology from the School of Pharmacy, Portsmouth University (England). He then joined the Dalhousie University for two consecutive Post-Doctoral Fellowships in Biopharmaceutics and Dental Materials. He currently teaches graduate and undergraduate pharmacology and therapeutics in the nursing, dental, and dental hygiene programs. Dr. Foong also participates in clinical teaching, providing chair-side pharmacology and therapeutics instruction.

Dental health care providers are challenged daily with a large number of medications (prescribed and over-the-counter) as well as herbal/supplements available to our patients. Dr. Foong is an engaging speaker with a broad depth of knowledge in pharmacology. His presentations are always interesting and informative.

PRESIDENT'S MESSAGE

As my term as president of the DDCC comes to an end, I want to express my thanks to those who were involved in my selection. First and foremost, there was Dr. Ed Sarkisian, a past president and current Editor of our newsletter "Clinic Links". Dr. Sarkisian knows a great deal of the intricacies and operation of our organization and the people involved. As relatively, a new member to the DDCC, Ed guided me every step of the way. Also helpful were Dr. James Stewart, immediate past president and Ollie Marcotte, a past president, long-standing statesman and historian of the DDCC. I want to thank the members of the Board of Governors, especially Dr. Sue Luft-Marcotte, Treasurer and Dr. James Lepczyk, Secretary.

In addition, I also want to thank our Foundation Board led by Dr. Allan Lasser, who is always concerned with our finances and By-Laws as is our Foundation Board member, Norm Herbert, a retired dentist living in Macomb County. Norm travels a long distance to attend our meetings and gives his opinions. I always enjoy his presence. We have three great members serving as DDCC Section Directors: Tim Kosinski, Implants, Ghabi Kaspo, TMD and Facial Pain and Oliver Marcotte, Public Relations/Website.

I thank our three speakers, Dr. Tim Kosinski, Douglas Campbell and Dr. Foong Choong, our last speaker of the year. All excellent speakers who gave various presentations that were enlightening and provided us with useful information. The speakers are busy people who gave their valuable time at no cost to DDCC except a nice plaque and a meal at the Detroit Athletic Club. I, as president, and the Board of Governors and Foundation of the DDCC extend our appreciation for their participation.

Also, I extend a thank you to all our members and guests who attended the meetings. Often, our paths do not cross but when we get together, it's nice to catch up, mingle and chitchat. Many thanks to the Detroit Athletic Club staff, especially Sherri, the banquet chief, who was very helpful in so many ways. Her staff as well was very good and efficient.

I do not want to forget to express my appreciation to my Office Coordinator, Chris and Associate, Dr. Robert Saracino for their patience in helping with the computer, e-mail, fax and typing. I am blessed to have their assistance, as I am ignorant of that type of technology.

It was a challenging year but I learned a great deal about the DDCC. It is the oldest dental study club and highly regarded. It will be 100 years old in 2014 and will be represented at the AGD meeting in Detroit next year. Watch for announcements.

As I step down after the May 2, 2013 meeting, becoming a past-president, the new president will be Dr. James Sarcheck who moves up from president-elect. James is a wonderful person and dental educator. He has had a private practice, participated in group practices and for many years, has been a manager in the Great Expression Organization. James brings a wide range of organizational skills and views to the DDCC and will strive to increase our membership and provide exceptional program speakers for our meetings. Best regards to Dr. Sarcheck for a successful year.

Again, thank you for your support. It was an honor and a privilege to serve.

Respectfully,
Arthur Hamparian, D.D.S.

LIFE MEMBERS - SPECIAL OFFER

In an effort to encourage the continued attendance and participation of our Life Members, three (anonymous) DDCC members have generously offered to pay the \$45 difference for the DDCC meeting cost of Life Members. The first fifteen Life Members to make a reservation for the May meeting may request to have this subsidy applied to their reservation and they may pay the \$30 rate paid by Active members.

CONTINUING EDUCATION CREDITS

All formally structured educational programs put on by the DDCC are eligible for AGD credit. The DDCC Board is required to submit a roster of those in attendance including the identification number of an AGD member within thirty days of the meeting. You must sign in with your name and number at each meeting to receive credit.
