DETROIT DENTAL CLINIC CLUB All- SECTION MEETING

THURSDAY DECEMBER 2, 2010

DETROIT ATHLETIC CLUB

*"Snoring and Sleep Apnea -
A Medical and Dental Interdisciplinary Approach"*

Dr. Joe Mastromatteo is a graduate of Georgetown University Dental School. After serving in the Dental Corp of the US Army, he started his private family and cosmetic dentistry practice in Lake Orion and Birmingham, Michigan. He is a member of the ADA, MDA, Oakland County Dental Society, Detroit Dental Clinic Club, Academy of Dental Sleep Medicine and American Academy of Sleep Medicine

Since 1999 Dr. Mastromatteo has expanded his practice to include Dental Sleep Medicine. He works with sleep specialists at the department of Clinical Neurophysiology at Beaumont Hospital treating patients who snore and have mild to moderate Obstructive Sleep Apnea (OSA).

The co-presenter this evening with Dr. Mastromatteo is **Dr. Robert L. Begle**, a graduate of the University of Michigan School of Medicine. Following residency in Internal Medicine, he completed a Fellowship in Pulmonary Medicine. He is a board certified specialist in Sleep Medicine and since 1997 a co-director of Sleep Evaluation Services at Beaumont Hospital. He is a member of the American Academy of Dental Sleep Medicine.

PRESIDENT'S REPORT

I am proud to serve as your Detroit Dental Clinic Club president for this year and eagerly anticipate a great year. The future of our DDCC remains bright as we use our constitution and by-laws to provide our path on which to provide camaraderie, continued education and the sharing of knowledge. I am proud to serve as your president but I especially appreciate the officers who will serve with me and without whose help I would be unable to function; Dr. Jim Stewart, Dr. Jim Lepczyk, Dr. Sue Luft and Dr. Ed Sarkisian. Special recognition goes out to Dr. Bob Caldwell who works as our web master. They along with the section leaders form the DDCC Board that will be responsible for the Club business during the coming year. As much as possible that business will be conducted by e-mail with a report of board activity presented to the membership at general meetings.

This year we will return our meeting location to the Detroit Athletic Club, which has hosted us for many years in the past. It provides a quality environment and a location that is central for all of us. Plus we won't have to fight traffic since the "rush hour traffic" is mostly going the other direction. We have three great meetings planned.

December Meeting: Thursday December 2, 2010 at the Detroit Athletic Club
" Snoring and Sleep Apnea - A Medical and Dental Interdisciplinary Approach"
Speakers - Dr. Joseph Mastromatteo and Dr. Robert L. Begle

March Meeting: Thursday March 3, 2011 at the Detroit Athletic Club
"Current Status: Government Mandates to Dentistry for Access to Dental Care and Regulation"

May Meeting: Thursday May 5, 2011 at the Detroit Athletic Club
"New Dental Technology for Dental Esthetics"

Our sections will continue with their own meeting locations and agendas as called for in the by-laws. Sections are independent of the main Club with their own officers, treasuries and agendas. Currently we have four sections; Periodontics, Ortho, TMD and Implant. Additional sections may be revived by any member interested in gathering a small group of dentists to discuss and share their knowledge of dentistry. The main body of the Detroit Dental Clinic Club provides continued education credits for these section meetings while the sections themselves determine all other aspects of their activities. Section members who are not members of DDCC are considered invitational members of the Clinic Club and always are encouraged to become full participating members of the DDCC.

The Perio Section meets at the Plum Hollow Golf Club under the leadership of Dr. Samir Zakaria. The Implant Section meets at VistaTech Center of Schoolcraft College under the leadership of Dr. Tim Kosinski. The Ortho Section meets under the leadership of Dr. Nawaf Masri and the TMD Section meets under the leadership of Dr. Ghabi Kaspo. Their meetings are open to all members of the DDCC as well as their own section members and will be announced in their section communications as well as in our DDCC Newsletters.

Respectfully yours

Ollie Marcotte DDS

EMAIL ALERT !!

Our newsletter and correspondence will be sent by email. This allows more timely publication and more content. In addition, we expect to save on postage and printing expenses. If you need regular mail correspondence, please send me a note or call by telephone. While we have nearly seventy five percent of your addresses, many have changed. Please send the email address you would like us to use:

Send to: sarkisian@comcast.net or drsue@marcottedental.com
