

PRESIDENT MESSAGE

Dear Friends and Colleagues,

The board has met a number of times. Our next meeting will be March 8, 2018 at the Detroit Athletic Club. It seems our best attendance is when we meet there. Our intent is to continue holding our meetings there if it works out. What you need to know as a member is that this is the most expensive venue we use. The cost to us has more than doubled over the last five years. The average cost per person for the meal, room rent and equipment rental exceeds \$90, approaching over \$100 if we have a bartender and the required assistant. Our dues cannot underwrite this increase. The fee we charge will reflect the additional cost of meeting at the DAC.

One of the issues we discussed is the possibility of reinstating sections. We may start with two or three sections and increase when needed. If you are interested in initiating a section please either call me at home 248-646-4418 or e-mail me at drlasser@yahoo.com. I cannot emphasize the importance your input.

I will say this in every report. Any suggestions you may have for us or help given will be deeply appreciated.

Very truly yours,

Allan Lasser

President, Detroit Dental Clinic Club 2017 – 2018

PAST AND FUTURE MEETINGS

The Detroit Dental Clinic Club partnered with the Oakland County Dental Society for an all day meeting in November 2017. The topics covered are all requirements for dental licensure in Michigan. They included Human Trafficking, CPR and Pain Management. Strong attendance, exceptional speakers and a great location made for a wonderful day. Feedback was very strong. The DDCC Board will continue to look at partnering with other dental organizations in the future for meetings that are of interest to our members and broaden our exposure in the dental community.

The May 10, 2018 Annual Meeting at the Detroit Athletic Club will feature Dr. Mark Murphy. A dynamic speaker and member of the DDCC, Dr. Murphy will address new guidelines for treatment of Sleep Apnea in the dental office setting. More details will follow.
